  - Construction fall 2025
- Citizen input on the initial scope is complete. Funding in FY24.
- Developing project charter

# William R. Gaines Jr. Veterans Memorial Park Phase II (2020)

Project Budget \$1,750,000

The park redevelopment amenities include group pavilions, bocce ball courts, shade canopies, pickleball and tennis courts, court lighting and utility connections.

- Estimated completion dates
  - Design in spring 2024
  - Construction in spring 2025

# Port Charlotte Beach Complex (2020)

Project Budget \$10,000,000

Design a replacement recreation center.

- Estimated completion dates
  - Design in spring 2024
  - Construction in summer 2025
- Concepts & Floor Plans designed for 2 different Options.

# Option A & Option B

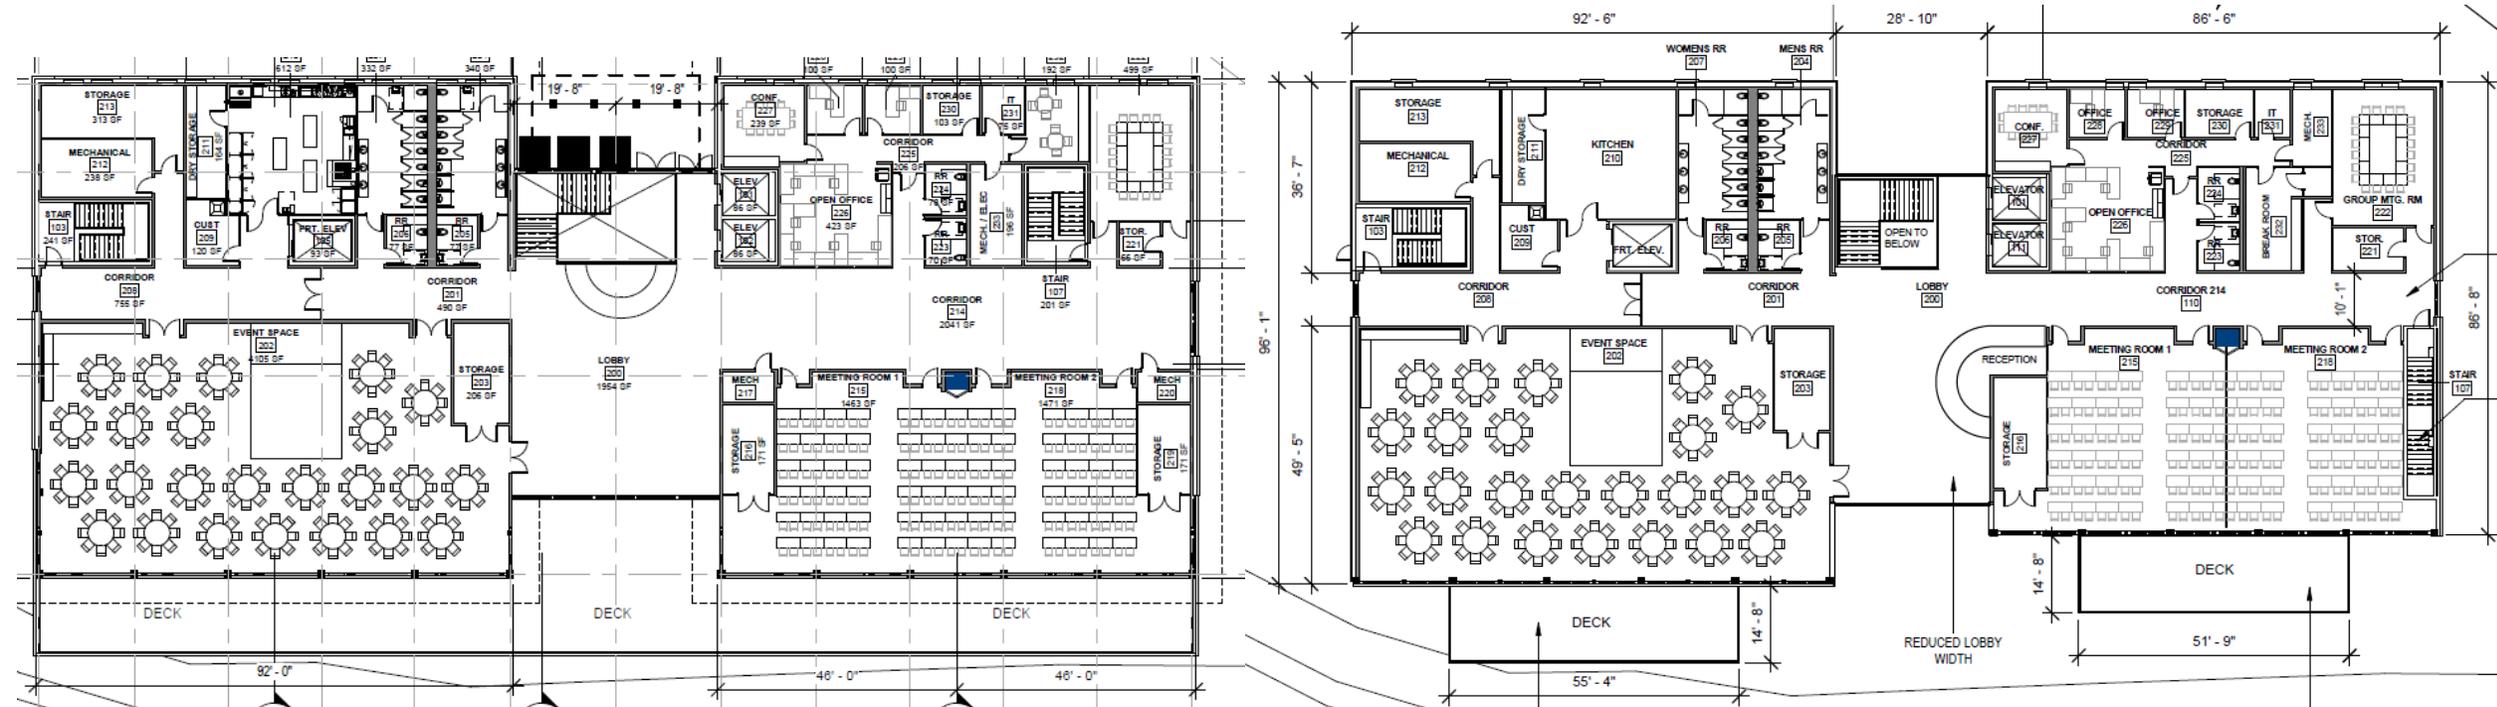

# Quarter Turn – Option A & B

# Gulf Side - Option A & B

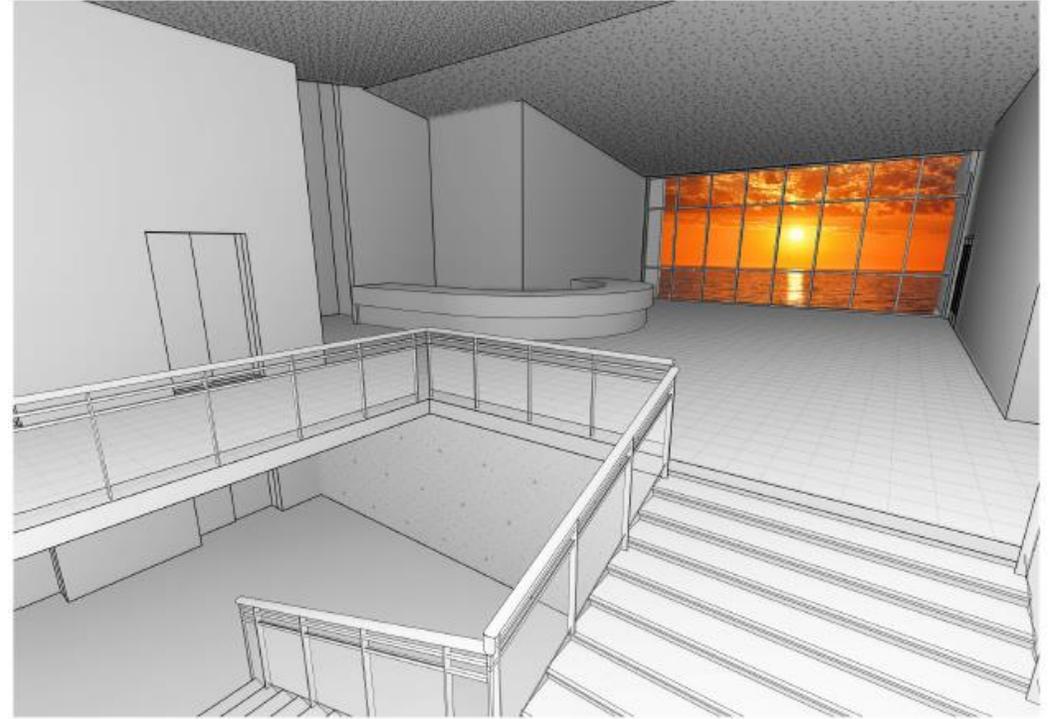

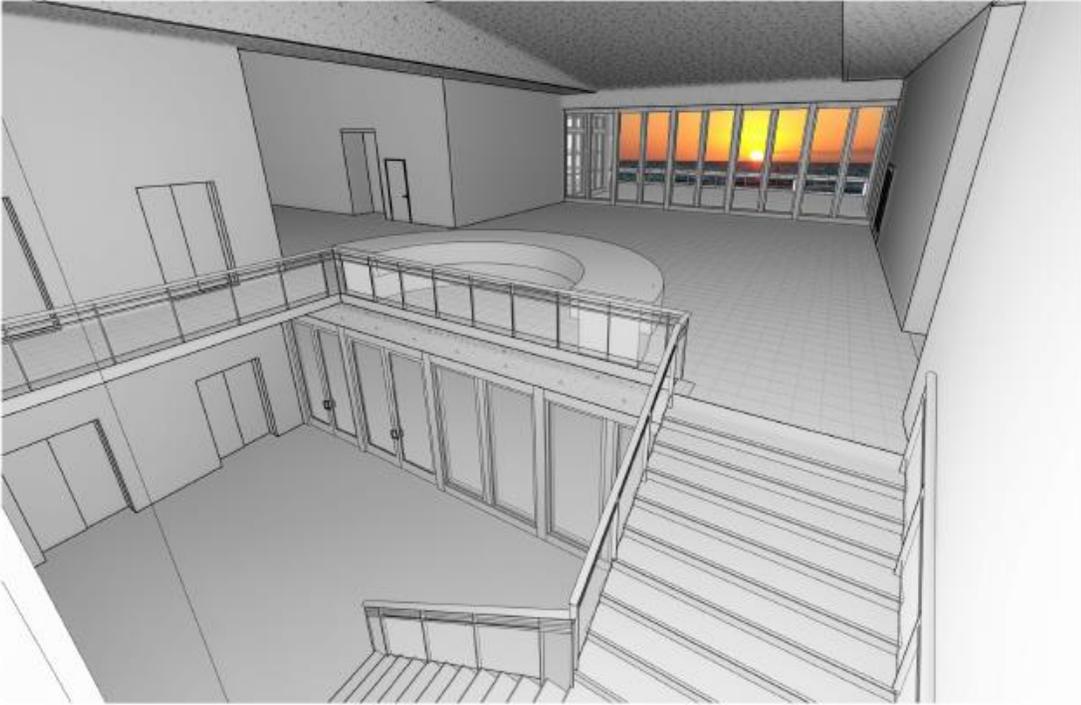

# Floor Plan Option A & B

# Event Space View – Option A & B

# Lobby View – Option A & B

# Port Charlotte Beach Recreational Center

- Option A
  - 19,035 square feet
  - Covered drop off
  - Full deck – 3900 square feet
  - Larger hallways & lobby for circulation
  - Window shutters
- Option B
  - 17,435 square feet
  - No covered drop off
  - 2 deck – 1600 square feet total
  - Reduced hallway & lobby
  - Reduced window size
  - No window shutters

# Site Design Evolution

Project Budget \$4,500,000.

Design a replacement pool and pool house. Moved from Tier 2 to Tier 1

- Estimated completion dates
  - Design 2024
  - Construction in spring 2025
- In conceptual design phase.
