Re: Petition for Certification of Sending Zone, Alligator Farms, LLC
Del Verde, Section A, 4 Parcels, 12 TDUs

This letter serves as my request for the above referenced application. Alligator Farms, LLC requests to sever all of the existing density for all 4 parcels contained in this application, for a total of 12 TDU units.

These 4 parcels have limited road frontage, no utilities and were never developed due to their being substandard platted lots. Attached find a draft of the Restrictive Covenant for the affected properties.

Please advise when this matter will be placed on a Board of County Commissioners agenda, and advise if there is anything further you need to process this application. I am happy to work with staff to get this processed.

Sincerely,
Alligator Farms, LLC

TDU Narrative for 4 Parcels, 12 TDU Units

The owner of 4 parcels lots within East County is seeking to sever all of the density units from the lots creating 12 Transferable Density Units (TDUs). The owner seeks one certificate for all of the density at this time. All of the subject property is in an area designated as Rural Service Area which is designated as a Sending Zone.

The base density is rounded down to the nearest whole number. Staff has confirmed the total number of density units being severed is in fact 12 as can be seen from the table submitted with the application.

No encumbrances affect the base density. No density is being retained on any of the lots subject to this petition.

Respectfully submitted,
Alligator Farms, LLC
