There are three methods for returning the executed Combined Subdivision Participation and Release Form to the Notice and Claims Administrator:

(1) Electronic Signature via DocuSign: Executing the Combined Subdivision Participation and Release Form electronically through DocuSign will return the signed form to the Notice and Claims Administrator and associate your form with your entity's records. Electronic signature is the most efficient method for returning the Combined Subdivision Participation and Release Form, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.

(2) Manual Signature returned via Rubris Platform Portal: If your entity is unable to return an executed Combined Subdivision Participation and Release Form using DocuSign, the signed Combined Subdivision Participation and Release Form may be submitted via the Rubris Platform Portal. Please utilize the link within the New National Opioid Settlement Notice email in order to upload your entity's Combined Subdivision Participation and Release Form directly to the Rubris Platform Portal.

(3) Manual Signature returned via electronic mail: If your entity is unable to return an executed Combined Subdivision Participation and Release Form using DocuSign, the signed Combined Subdivision Participation and Release Form may be returned via electronic mail to [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com). Please include the name, state, and reference ID of your entity in the body of the email and use the subject line Combined Subdivision Participation and Release Form - CHARLOTTE COUNTY, FL - CL-2023852.
