

and

WHEREAS, Section 316.008(b), Florida Statutes, authorizes "a county or municipality [to] place or install, or contract with a vendor to place or install, a speed detection system within a roadway maintained as a school zone"; and

WHEREAS, Section 316.0776(3), Florida Statutes requires that a "speed detection system may be placed or installed in a school zone on a street or highway under the jurisdiction of a county or a municipality in accordance with placement and installation specifications established by the [Florida] Department of Transportation"; and

WHEREAS, Section 316.0776(3)(a) requires that a county that places or installs a speed detection system must notify the public that a speed detection system may be in use by posting signage indicating photographic or video enforcement of the school zone speed limits and other related requirements; and

WHEREAS, Section 316.0776(3)(a) requires that a county that has never conducted the above-described program must make a public announcement and conduct a 30-day public awareness campaign of the proposed use of speed detection systems and must notify the public of the specific date on which the program will commence; and

WHEREAS, a county that operates school zone speed detection systems must annually report the results of all systems within the county's jurisdiction by placing the required report on an agenda of a regular or special meeting of the county's governing body; and

WHEREAS, a county may authorize a traffic infraction enforcement officer under

Section 316.640, Florida Statutes, to issue uniform traffic citations for violations of section 316.1895 and 316.183 as authorized by section 316.008(9), and further regulates how such notices of violations shall be sent and what information such notices must include; and

WHEREAS, the related statutes provide for penalties to be assessed and remitted to various entities, as well as for a process whereby individuals who receive notices of violation may request a hearing; and

WHEREAS, a county electing to authorize traffic infraction enforcement officers to issue uniform traffic citations “must designate by resolution existing staff to serve as the clerk to the local hearing officer”; and

WHEREAS, the Board of County Commissioners held the requisite hearing on September 9, 2025, and finds that the evidence of heightened safety risk, which warrants additional enforcement measures, including the installation of school speed zone detection systems at the school zone locations described herein; and

WHEREAS, enforcement of speed limits in school zones with law enforcement officers alone can be difficult, as in the time a law enforcement officer has stopped and cited a speeding driver, other motorists can commit speeding violations and avoid citation; and

WHEREAS, given that speeding in school zones creates an detrimental hazard for students, and that enforcement of applicable speed limits in school zones during sessions through the use of a speed detection system may reduce instances of speeding in school zones and enhance the welfare and safety of students across Charlotte County, the Board desires to implement a school zone speed detection

79 system program to enforce applicable speed limits in school zones during school
80 sessions through the use of a speed detection systems.

81 NOW, THEREFORE, BE IT ORDAINED by the Board of County Commissioners
82 of Charlotte County, Florida, that:

83 Section 1. Chapter 2-4, Article I, of the Charlotte County Code of Laws and
84 Ordinances is hereby created as set forth in Charlotte County Code Section 2-4-12 (the
85 underlined provisions below are added to the Code):

86 **Sec. 2-4-12. Speed detection systems for enforcement of school zone speed limits.**

87
88 1. Purpose and Intent. The purpose of this Ordinance is to authorize
89 and implement the use of speed detection systems to enforce applicable speed
90 limits in roadways properly maintained as school zones, as authorized by and in
91 accordance Sections 316.008 and 316.0776, Florida Statutes, as such may be
92 amended from time to time, to promote traffic safety and student welfare.
93

94 2. Use of Speed Detection Systems. In accordance with law, Charlotte
95 County exercises its authority to authorize placement or installation of speed
96 detection systems to enforce applicable speed limits on roadways maintained as
97 school zones within Charlotte County. The County Administrator, or his/her
98 designee, is hereby authorized to implement speed detection systems within
99 Charlotte County consistent with the placement and installation specifications
100 established by the Florida Department of Transportation, as such may be amended
101 from time to time, to enforce unlawful speed violations, as specified in Sections
102 316.1895 and 316.183, Florida Statutes, on roadways maintained as school zones.
103 The authority granted under this section is subject always to the county's budget
104 procedures and all funding must be approved by the Board of County
105 Commissioners before such spending may be obligated or expended.
106

107 3. Determination of Heightened Safety Risk. Having considered traffic
108 data or other evidence supporting the installation and operation of each proposed
109 school zone speed detection system, Charlotte County determines that the
110 following school zones, including the entrances and exits to the school facilities,
111 where a speed detection system is to be placed or installed constitute a heightened
112 safety risk that warrants additional enforcement measures pursuant to Section
113 316.008(9), Florida Statutes:
