

Briefing Note

Harborview Road Widening Project

The purpose of this note is to brief you on the Resolution of Necessity being presented at the April 22nd meeting.

Resolution 2023-230 authorizes the acquisition of real property or easement interests by voluntary means for the Harborview Road Widening Project.

Resolution 2024-113 authorizes the acquisition of real property or easement interests by any legal means within the project area for the Harborview Road Widening Project.

These forty-one (41) Resolutions identify the area of each parcel to acquire by any legal means within the project area for the Harborview Road Widening Project.

These Resolutions are a required procedural step in the acquisition process.
