<b>PROJECT DESCRIPTION:</b>													<b>PROJECT RATIONALE (Include Additional LOS Detail, if necessary):</b>																																																																																																																																																																																																																																																																																																																																																																																																																																																												
Expansion of East Port Water Reclamation Facility.													East Port WRF treats the wastewater for all of mid-county. The existing plant capacity is reaching its limits due to economic growth and new sewer connections. In order to meet regulatory guidelines and improve overall operation and maintenance of the facility, the plant will need to be expanded from 6 to 9 Million Gallons per Day (MGD).																																																																																																																																																																																																																																																																																																																																																																																																																																																												
<b>OPERATING BUDGET IMPACT:</b>																																																																																																																																																																																																																																																																																																																																																																																																																																																																									
The O&M budget impact is estimated less than \$300,000/year. Increase in staffing — minimum four additional full-time employees (3 operations & 1 laboratory).
