To whom it may concern

I am interested in joining the Englewood East Non-urban Street And Drainage Unit. I attended the West Charlotte Stormwater Utility Unit meeting in July and was informed of this vacancy.

I am a FEMA Certified Floodplain Manager (US-01-00311) with over 45 years of experience as a FEMA contractor and a contractor for the US Fish and Wildlife Service. I work for Dewberry and have been with them for my entire career. I am currently the Executive Director of Quality Assurance and am a company vice president.

I am also a member of the American Society for Quality and am a Project Management Professional (PMP). My PMP number is 1980570

I believe my extensive experience in understanding and consulting on a variety of floodplain management best practices would be of value to the county.

My contact information is below; please feel free to reach out by mail, e-mail, text, or phone call.

Sincerely,

A handwritten signature in dark ink, appearing to read "Steve Kalaf". The signature is stylized with a large, looped "S" and a cursive "Kalaf".
