TO WHOM IT MAY CONCERN:

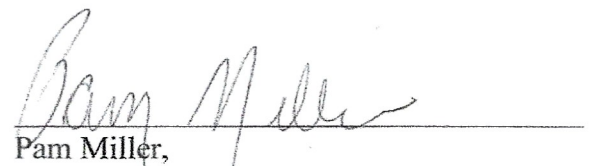

RE: Mr. Larry Morrow

It is with great pleasure, and a sad heart, that we are writing this Reference Letter for Mr. Morrow. Larry has been with us for nearly 5 years as our Facilities & Transportation Manager. Our facility is a 35,000 s.f. Elementary School for the grades of Kindergarten thru 6<sup>th</sup> Grade. We have had as many as four bus routes and six busses and several other school vehicles that he was personally responsible for. To say he was good at his job is like saying Van Gogh was just a good painter. Larry is an artist in his ability to understand his responsibilities, to ensure that all elements of facility maintenance was accomplished with minimal down time, minimum cost, and yet highest level of satisfaction of job completion. He was always available, no-one worked harder, nor did we ever expect to see him leave. Family support issues have made it so he has had to move back to Florida, and we can only thank our lucky stars that he also trained his replacement here or we would be in a world of chaos.

We will always be thank-full for his sense of loyalty, his bedrock of integrity, and his great humor that saved many a day when it looked like we were going to have to surrender. Just not in his nature. He was always able to do this while maintaining the safety for all 600 of our students here on the campus and/or riding our buses. We recommend him for any position with high expectations of his success and yours.

Sincerely,
