<u>Source of Supply</u>	<u>Subcontractor(s)</u>
1. Fuel - Palmdale Oil	1. Labor - Aerotek
2. Inbound/outbound Freight - ZEI	2.
3.	3.
4.	4.
5.	5.
6.	6.

DRUG FREE WORKPLACE FORM

The undersigned vendor in accordance with Florida Statute 287.087 hereby certifies that Reworld Solutions, LLC (name of business) does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

NOTICE OF PERMIT MODIFICATION

By-Email
dvenezia@reworldwaste.com

In the Matter of an
Application for Permit by:
Reworld Solutions, LLC
445 South Street
Morristown, New Jersey 07960

Hillsborough County
WACS # 106062
Reworld Solutions, LLC Tire Shredding
Facility

Attention: Mr. Venezia

DEP File No: 391792-004-WT/MM

Pursuant to Sections 403.061(14) and 403.707, Florida Statutes, the Department hereby issues modification number 391792-004-WT/MM. The following conditions of permit number 391792-001-WT/02 are modified as follows:

SPECIFIC CONDITIONS	FROM	TO	TYPE OF MODIFICATION
Cover Page	Existing	Amended	Updated to include Modification No. 391792-004-WT/02
2.A.1	Existing	Amended	Updated referenced documents
Appendix 2, Para. 3	-	New	Additional permitting documents referenced

Attached is Permit Number 391792-001-WT/02 as modified by this Order. The attached permit replaces all previous permits and permit modifications for this facility.

A person whose substantial interests are affected by this modification of permit may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000 or via electronic correspondence at Agency_Clerk@dep.state.fl.us.

Petitions by the applicant or any of the parties listed below must be filed within fourteen days of receipt of this written notice. Petitions filed by other persons must be filed within fourteen days of publication of the notice or receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Department for notice of agency action may file a petition within fourteen days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- (a.) The name, address, and telephone number of each petitioner, the applicant's name and address, the Department File Number and the county in which the project is proposed;
- (b.) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- (c.) A statement of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- (d.) A statement of all material facts disputed by petitioner or a statement that there are no disputed facts;
- (e.) A statement of the ultimate facts alleged, including a statement of the specific facts which the petitioner contends warrant reversal or modification of the Department's action or proposed action;
- (f.) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the Department's action or proposed action; and
- (g.) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wants the Department to take with respect to the Department's action or proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

In accordance with Section 120.573, F.S., the Department advises that mediation is not available in this case under the provisions of that statute. This does not prevent any interested parties from agreeing to other forms of alternate dispute resolution.

Any party to this order has the right to seek judicial review of it under Section 120.68, F.S., by filing a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the clerk of the Department in the Office of General Counsel, Mail Station 35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, or via electronic correspondence at Agency_Clerk@dep.state.fl.us and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within thirty days after this order is filed with the clerk of the Department.

Temple Terrace, Florida 33637
Phone: (813) 470-5700

SECTION 1 – SUMMARY INFORMATION

A. Authorization

The permittee is hereby authorized to construct/operate a waste tire processing facility in accordance with the specific and general conditions of this permit and any documents attached to this permit or specifically referenced in this permit and made a part of this permit.

This solid waste construction/operation permit is issued under the provisions of Chapter 403, Florida Statutes (F.S.), and Florida Administrative Code (F.A.C.) Chapters 62-4, 62-701, and 62-711.

This permit does not relieve the permittee from complying with any other appropriate local zoning or land use ordinances or with any other laws, rules or ordinances. Receipt of any permit from the Department does not relieve the applicant from obtaining other federal, state, and local permits and/or modifications required by law, including those from other sections within the Department or of the Water Management District.

B. Facility Location

The facility is located at 6902 East 6th Avenue, Tampa, in Section 14, Township 29S, Range 19E, in Hillsborough County, Florida (Latitude 27° 57' 36.96" and Longitude 82° 22' 41.55").

C. Facility Description

The Reworld Solutions, LLC Tire Shredding Facility waste tire processing facility is operated by Reworld Solutions, LLC. The facility includes a paved outdoor storage area for whole waste tires measuring 2,500 square feet. A scale is located at the facility to weigh both inbound whole tires and outbound shredded tires. The maximum quantity of whole tires to be stored at the facility is 80 tons. Whole waste tires are processed onsite using feed conveyors with an outside shredder manufactured by Shredding Systems, Inc. The shredder is a "primary" shredder designed to cut rubber tires into pieces that are 3-inches wide, lengths varying from 3-inches to 9-inches and producing de minimis residuals (less than 1%). The shredder has a throughput range of 15 to 20 tons per hour (TPH). All of the shredder's processed discharge materials will be conveyed directly into the hauling vehicles which will transport the processed tires for disposal at a permitted solid waste management facility. The maximum quantity of processed tires to be stored at the facility is 40 tons.

Amended 391792-002

D. Appendices Made Part of This Permit

APPENDIX 1 – General Conditions

APPENDIX 2 – List of Documents Incorporated into this Permit

E. Attachments for Informational Purposes Only

ATTACHMENT 1 – Time Sensitive Action Chart

If any of the time deadlines in the Time Sensitive Action Chart are inconsistent with the time deadlines in the permit conditions, the time deadline in the permit condition shall be followed.

SECTION 2 – SPECIFIC CONDITIONS

A. Administrative Requirements

1. Documents Part of This Permit. The permit application **as finally revised, replaced or amended** in response to the Department's Request(s) for Additional Information are contained in the Department's files and are made a part of this permit. Those documents that make up the complete permit application are listed in APPENDIX 2 (APP-2), and include but are not limited to:
 - a. Sheet C4.1 – Site Plan (Site Plan) [ref. APP-2, Para. 1.b.]
 - b. Operations Plan (Op. Plan) [ref. APP-2, Para. 3.a.]
 - c. Contingency Plan, (Contingency Plan) [ref. APP-2, Para. 3.b.]

Amended 391792-004

2. Permit Modification. Any change to construction, operation or monitoring requirements of this permit may require a modification to this permit, in accordance with the provisions of Rule 62-701.320(4), F.A.C.
3. Permit Renewal. In order to ensure uninterrupted operation of this facility, a timely and sufficient permit renewal application must be submitted to the Department in accordance with Rule 62-701.320(10), F.A.C. A permit application submitted at least 61 days prior to the expiration of this permit is considered timely and sufficient.
4. Transfer of Permit or Name Change. In accordance with Rule 62-701.320(11), F.A.C., the Department must be notified in writing within 30 days: (1) of any sale or conveyance of the facility; (2) if a new or different person takes ownership or control of the facility; or (3) if the facility name is changed.

B. Construction Requirements

1. General Construction Requirements. All construction shall be done in accordance with the approved permit application documents [ref. APP-2, Para. 1.]. The Department shall be notified before any changes, other than minor deviations, to the approved plans are implemented in order to determine whether a permit modification is required.
2. Certification of Construction Completion. Upon completion of construction and prior to accepting any tires at the facility, the engineer of record shall certify to the Department in accordance with Rule 62-701.320(9)(b), F.A.C., that the permitted construction is complete and was done in substantial conformance with the approved construction plans except where minor deviations were necessary. All deviations shall be described in detail and the reasons therefore enumerated.
3. Approval of Certification. The permittee shall not accept tires at the facility until one of the following has occurred: (1) the Department has stated in writing that it has no objection to the certification of construction completion; or (2) at least 30 days have passed since the certification was submitted and the Department has not responded in writing to the certification.

C. Operation Requirements

1. General Operating Requirements. The Permittee shall operate the facility in accordance with the approved Operation Plan. The Department shall be notified before any changes, other than minor deviations, to the approved Operation Plan are implemented in order to determine whether a permit modification is required.
2. Authorized Waste and Material Types. The facility is authorized to manage only the following:
 - a. Whole waste tires as defined in Rule 62-701.200, F.A.C.
 - b. Processed tires as defined in Rule 62-701.200, F.A.C.
3. Unauthorized Waste Types. The facility is not authorized to accept or manage any waste types not listed in C.2. above. Any unauthorized waste inadvertently received by the facility shall be managed in accordance with the approved Operation Plan.
4. Maximum Storage Quantities. The maximum storage at the facility for whole waste tires, shall be 80 tons in accordance with Rule 62-711.530(2), F.A.C.
5. Facility Capacity. If the facility has reached its permitted capacity for storage of waste tires, the permittee shall not accept additional waste tires until sufficient capacity has been restored.
6. Storage and Management. All waste tires will be stored outdoors in accordance with the facility Site Plan [ref. APP-2, Para. 1.b.] and shall meet the fire department's standards along with the applicable storage requirements cited in Rule 62-711.540, F.A.C.
7. Contingency Plan and Notification of Emergencies. The Permittee shall notify the Department in accordance with the approved Contingency Plan. Notification shall be made to the DEP's Southwest District Office Compliance Assurance Program at (813) 470-5700 or SWD_Waste@FloridaDEP.gov.
8. Operations Involving Use of Open Flames. No operations involving the use of open flames shall be conducted within 25 feet of a waste tire pile, Rule 62-711.540(1)(b), F.A.C.
9. Processing Requirements. At least 75% of the whole tires and used tires that are delivered to or are contained on the site at the beginning of each calendar year must be processed and removed for disposal or recycling from the facility during the year, or disposed in a permitted solid waste management facility Rule 62-711.530(3), F.A.C.
10. Quarterly Reports. Owner or operators of waste tire processing facilities shall submit quarterly reports to the Department that summarizes the information collected under Rule 62-711.530(4), F.A.C. The reports shall be submitted on DEP Form 62-701.900(21), on the 20th of the month following the close of each calendar quarter to the Southwest District Office Compliance Assurance Program at SWD_Waste@FloridaDEP.gov, Rule 62-711.530(5), F.A.C.

C. Operation Requirements (cont.)

11. Fire Inspection. A fire safety survey should be conducted at least annually in accordance with Rule 62-711.540(d), F.A.C. The fire safety inspection report shall be maintained at the facility for five years and copies shall be provided to the Department upon request. In the event that deficiencies are noted in the annual fire safety inspection report, **within 30 days** of completion, the permittee shall provide documentation to the Department indicating correction of any deficiencies noted. The documentation shall include approval of the corrections by the local fire authority.
12. Housekeeping.
 - a. The facility shall provide for control of mosquitoes and rodents so as to protect the public health and welfare.
 - b. The facility shall be kept free of grass, underbrush, and other potentially flammable vegetation at all times.

D. Water Quality Monitoring Requirements

[There are no water quality monitoring requirements for this facility.]

E. Gas Management System Requirements

[There are no gas management requirements for this facility.]

F. Closure Requirements

[There are no closure requirements for this facility.]

G. Financial Assurance and Cost Estimates

1. Financial Assurance Mechanism. The permittee shall maintain, in good standing, the financial assurance mechanism established to demonstrate proof of financial assurance. Supporting documentation and evidence of financial assurance increases shall be submitted within the time frames specified in Rule 62-711.500(3), F.A.C. All submittals in response to this specific condition shall be sent to:

Financial Assurance Working Group
Florida Department of Environmental Protection
2600 Blair Stone Road, MS 4548
Tallahassee, Florida 32399-2400

2. Annual Cost Estimates. The permittee shall annually adjust the closing cost estimate in accordance with Rule 62-711.500(3), F.A.C. The owner or operator shall submit the annual cost estimate at least 60 days prior to the anniversary date of their financial assurance mechanism.

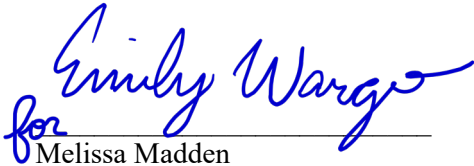

All submittals in response to this specific condition shall be sent to the Southwest District Office Compliance Assurance Program at SWD_Waste@FloridaDEP.gov and a copy to the address identified in Specific Condition F.1. or to the following email address:
Financial.Assurance.Working.Group@FloridaDEP.gov.

APPENDIX 1 – General Conditions

1. The terms, conditions, requirements, limitations and restrictions set forth in this permit, are "permit conditions" and are binding and enforceable pursuant to Sections 403.141, 403.161, 403.727, or 403.861, Florida Statutes (F.S.). The permittee is placed on notice that the Department will review this permit periodically and may initiate enforcement action for any violation of these conditions.
2. This permit is valid only for the specific processes and operations applied for and indicated in the approved drawings or exhibits. Any unauthorized deviation from the approved drawings, exhibits, specifications, or conditions of this permit may constitute grounds for revocation and enforcement action by the Department.
3. As provided in subsections 403.087(6) and 403.722(5), F.S., the issuance of this permit does not convey any vested rights or any exclusive privileges. Neither does it authorize any injury to public or private property or any invasion of rights, nor any infringement of federal, State, or local laws or regulations. This permit is not a waiver of or approval of any other Department permit that may be required for other aspects of the total project which are not addressed in this permit.
4. This permit conveys no title to land or water, does not constitute State recognition or acknowledgment of title, and does not constitute authority for the use of submerged lands unless herein provided and the necessary title or leasehold interests have been obtained from the State. Only the Trustees of the Internal Improvement Trust Fund may express State opinion as to title.
5. This permit does not relieve the permittee from liability for harm or injury to human health or welfare, animal, or plant life, or property caused by the construction or operation of this permitted source, or from penalties therefore; nor does it allow the permittee to cause pollution in contravention of Florida Statutes and Department rules, unless specifically authorized by an order from the Department.
6. The permittee shall properly operate and maintain the facility and systems of treatment and control (and related appurtenances) that are installed and used by the permittee to achieve compliance with the conditions of this permit, are required by Department rules. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit and when required by Department rules.
7. The permittee, by accepting this permit, specifically agrees to allow authorized Department personnel, upon presentation of credentials or other documents as may be required by law and at reasonable times, access to the premises where the permitted activity is located or conducted to:
 - a. Have access to and copy any records that must be kept under conditions of the permit;
 - b. Inspect the facility, equipment, practices, or operations regulated or required under this permit; and
 - c. Sample or monitor any substances or parameters at any location reasonably necessary to assure compliance with this permit or Department rules.

Reasonable time may depend on the nature of the concern being investigated.

APPENDIX 1 – General Conditions (cont.)

8. If, for any reason, the permittee does not comply with or will be unable to comply with any condition or limitation specified in this permit, the permittee shall immediately provide the Department with the following information:
- a. A description of and cause of noncompliance; and
 - b. The period of noncompliance, including dates and times; or, if not corrected, the anticipated time the noncompliance is expected to continue, and steps being taken to reduce, eliminate, and prevent recurrence of the noncompliance.

The permittee shall be responsible for any and all damages which may result and may be subject to enforcement action by the Department for penalties or for revocation of this permit.

9. In accepting this permit, the permittee understands and agrees that all records, notes, monitoring data and other information relating to the construction or operation of this permitted source which are submitted to the Department may be used by the Department as evidence in any enforcement case involving the permitted source arising under the Florida Statutes or Department rules, except where such use is prescribed by Sections 403.111 and 403.73, F.S. Such evidence shall only be used to the extent it is consistent with the Florida Rules of Civil Procedure and appropriate evidentiary rules.
10. The permittee agrees to comply with changes in Department rules and Florida Statutes after a reasonable time for compliance; provided, however, the permittee does not waive any other rights granted by Florida Statutes or Department rules.
11. This permit or a copy thereof shall be kept at the work site of the permitted activity.
12. The permittee shall comply with the following:
- a. Upon request, the permittee shall furnish all records and plans required under Department rules. During enforcement actions, the retention period for all records will be extended automatically unless otherwise stipulated by the Department.
 - b. The permittee shall hold at the facility or other location designated by this permit records of all monitoring information (including all calibration and maintenance records and all original strip chart recordings for continuous monitoring instrumentation) required by the permit, copies of all reports required by this permit, and records of all data used to complete the application for this permit. These materials shall be retained at least three years from the date of the sample, measurement, report, or application unless otherwise specified by Department rule.
 - c. Records of monitoring information shall include:
 - 1) The date, exact place, and time of sampling or measurements;
 - 2) The person responsible for performing the sampling or measurements;
 - 3) The dates analyses were performed
 - 4) The person responsible for performing the analyses;
 - 5) The analytical techniques or methods used;
 - 6) The results of such analyses.

PERMITTEE NAME: Reworld Solutions, LLC
FACILITY NAME: Reworld Solutions, LLC Tire Shredding Facility

PERMIT NO.: 391792-001-WT/02
WACS Facility ID: 106062

APPENDIX 1 – General Conditions (cont.)

13. When requested by the Department, the permittee shall within a reasonable time furnish any information required by law which is needed to determine compliance with the permit. If the permittee becomes aware the relevant facts were not submitted or were incorrect in the permit application or in any report to the Department, such facts or information shall be corrected promptly.

APPENDIX 2 – Approved Application Documents

This permit is valid for the operation of the Reworld Solutions, LLC Tire Shredding Facility Waste Tire Processing Facility and related systems in accordance with all applicable requirements of Department rules, and in accordance with the reports, plans and other information prepared by Northside Engineering, Inc or as otherwise noted, as follows:

1. Waste Tire Processing Facility Permit Application, dated August 26, 2020 (received August 27, 2020) prepared by U.S. Ironworks Company, as revised, replaced or amended by information received October 23, 2020, January 11, 2021 and February 8, 2021. This information includes, but is not limited to:
 - a. Waste Tire Processing Facility Application – DEP Form #62-701.900(23), dated October 13, 2020;
 - b. Sheet C4.1 – Site Plan, prepared by Northside Engineering. Inc., dated December 8, 2020;
 - c. Operational Plan, received August 27, 2020, as revised January 11, 2021;
 - d. Contingency Plan, received August 27, 2020, as revised January 11, 2021.
2. Application for Transfer of Permit or Notification of Name Change, dated June 2024 (received July 15, 2024), prepared by JMG Engineering Inc. as revised, replaced or amended on September 17, 2024.

New 391792-002

3. Waste Tire Processing Facility Permit Application, dated and received March 6, 2025 (application fee received March 19, 2025) prepared by Reworld Solutions, LLC and JMG Engineering Inc., as revised, replaced or amended by information received March 17, 2025 & March 24, 2025. This information includes, but is not limited to:
 - a. Operations Plan, received March 6, 2025 (replaces Operational Plan referenced in APP-2, Para. 1.c., above)
 - b. Contingency Plan, received March 6, 2025 (replaces Contingency Plan referenced in APP-2, Para. 1.d., above)

New 391792-004

PERMITTEE NAME: Reworld Solutions, LLC
FACILITY NAME: Reworld Solutions, LLC Tire Shredding Facility

PERMIT NO.: 391792-001-WT/02
