

## Briefing Note

### Resolution to Acquire Real Property Interests for Various Intersection Improvements

The purpose of this note is to brief you on the Resolution to Acquire being presented at the May 12, 2026, regular meeting.

Real Estate Services has worked with Public Works to identify the real property interests that may be required to construct intersection improvements at various locations.

Presently, Real Estate Services is working with Public Works to determine the areas of acquisition.

The CIP Sheet references the Fiscal Year 2026 – 2031 Project Detail.

This Resolution will allow Real Estate Services to acquire the real property interests needed to construct the intersection improvements at various locations.
