Notes

The Clay County Contract #2023/2024-284 provides a 2% discount on iMulch products. Installation is included in the price of the product.

The Clay County Contract #2023/2024-284 provides a 2% discount on LSI product. The maximum price for installation is 75% of the product price. (Installation does not include site prep, slabs, footings or engineering).

Proposal No: 21369.10 Project Name: Charlotte County - G. C. Herring Park Reno Proposal Date: 8/11/2025 Page 4 of 5

The Clay County Contract #2023/2024-284 provides a 2% discount on Porter/Poligon product. The maximum price for installation is 75% of the product price. (Installation does not include site prep, slabs, footings or engineering).

The Clay County Contract #2023/2024-284 provides a 2% discount on LSI SkyWays product. The maximum price for installation is 75% of the product price. (Installation does not include site prep, slabs, footings or engineering).

The Clay County Contract #2023/2024-284 provides a 2% discount on VitriTurf product, Installation is included in the price of the product,

Basis of Proposal:

Our equipment only offer is based upon Rep Services design 21369-4-3 2025.1 as interpreted from sheets C-300 and H-205. It does not contain any pricing for items labeled "future shade structure."

Offloading equipment and installation is excluded on this proposal.

If a owner controlled insurance program (OCIP) is required, add 2% to the proposal total.

If a bond is required, add 3% to proposal total.

Also, please be aware that we generate separate invoices for product at the time of delivery, then we invoice for installation upon completion. This is the customary approach in construction and eliminates sales tax on installation services. If your project should include products from multiple manufacturers, be advised that the products will be invoiced separately.

Estimated project completion schedule

(This schedule starts when all needed information to direct engineering has been gathered.)

8 Weeks: Engineering

4 Weeks: Permitting/Submittal Approval

16 Weeks Longest manufacturing lead time. (Typical for scheduling.)

1 Week Shipping

29 Weeks TOTAL

Note that RSI is committed to do all it can to meet the needs of your project.

Landscape Structures:

Color selection to be made at time of color submittal approval

SkyWays Shade by LSI:

SkyWays units are designed to meet 2023 Florida Building Code 8th Edition and ASCE 7-22.

Note that the fabric is to be removed by the owner should winds exceed 75MPH. Fabric should be removed in the event of a hurricane.

The high-density polyethylene fabric is flame retardant conforming to NFPA 701 and ASTM E84 per FBC 3105.3.1. Color selection to be made at time of color submittal approval.

Poligon by PorterCorp:

- Porter units are designed to meet 2023 Florida Building Code 8th Edition.
- Please provide Building Department permit application requirements including Risk Category.
- The following certificates are available:
 - Miami-Dade County Certificate of Competency No. 23-0915.11
 - PCI (Powder Coating Institute) 4000 Certified
 - American Institute of steel construction quality management systems certified
- Four sets of signed and sealed drawings and calc books for building permitting will be provided. If additional sets of drawings and calc books are required, additional fees will apply.

Electrical Cutout: Selections to be made at time of electrical cut out submittal approval

Color Selection:

To be made at time of color submittal approval

Can find standard roofing and frame color selections here: https://poligon.com/shelter-option/frame-roof-colors/

Non-Standard colors and finishes are available at an additional charge

Warranty

The 10-year limited warranty excludes buildings erected at sites where salt air, corrosive environment, high humidity, or sprinkler systems come in contact with the shelter.

Failure to maintain the finished system with annual touch-ups and documented maintenance procedures will void the limited warranty. See Poligon warranty document for full details and terms.

Engineered Wood Fiber:

- Rough Grade: To be established by others
- Product: Made from 100% wood fibers cut to one-to-two-inch lengths.
 - *** IPEMA CERTIFIED ASTM F1292-13 Standard Specification for Impact Attenuation of Surface Systems Under and Around Playground Equipment and ASTM F2075-10a Standard Specification for Engineered Wood Fiber for Use as a Playground Safety Surface Under and Around Playground Equipment.
 - *** This is a natural product. Particle size, texture and color may vary from a tan to a dark brown due to the natural conditions of the environment.
 - This proposal is for Engineered Wood Fiber playground surfacing delivered to the site
- Installation: Owner or Owner's contractor is responsible for:

Proposal No: 21369.10 Project Name: Charlotte County - G. C. Herring Park Reno Proposal Date: 8/11/2025 Page 5 of 5

- Accuracy of project dimensions and product quantities prior to ordering.
- Drainage is extremely important to the long-term performance of your playground surfacing. A minimum of a 12" depth of surfacing material must be always maintained.
- NOTE: Installation scopes do not include fall height testing.

Freight prices are subject to an energy/fuel surcharge if implemented between the time of quote and placement of order.

Time Limitations Holding Prices Firm:

Orders are shipped within our manufacturer's standard lead times. Requests for delayed shipping may result in additional costs due to increases in freight, material costs or other factors. To secure the prices on this proposal, the offer must be accepted prior to the expiration date noted.

If, during the performance of this contract, the price of a product increases 3% or more as documented by factory quotes, invoices or receipts to contractor (Rep Services, Inc.) from the date of the contract signing the price of shall be equitably adjusted by an amount reasonably necessary to cover such price increases. Where the delivery of a product is delayed, through no fault of contractor (RSI) as a result of the shortage or unavailability of a product, contractor (RSI) shall not be liable for any additional costs or damages associated with such delay(s).

The undersigned warrants that he/she is an authorized representative of Charlotte County noted and has the requisite authority to bind Charlotte County and/o principal.
