AND WATER/ENERGY CONSERVATION CERTIFICATION**

Project Sponsor: Charlotte County
Project Name: South County Improvements-Construction of new Elevated Storage Tank & Upgrade Booster Pump Station at Burnt Store Wtp
Project Number: DW0802L0

On June 10, 2014, the Water Resources Reform and Development Act of 2014 (WRRDA) was signed into law. Among its provisions are amendments to Titles I, II, V, and VI of the Federal Water Pollution Control Act (FWPCA). Sections 602(b)(13)(A) and (B) of the FWPCA requires that the loan recipient:

(A) has studied and evaluated the cost and effectiveness of the processes, materials, techniques, and technologies for carrying out the proposed project or activity for which assistance is sought under this title; and

(B) has selected, to the maximum extent practicable, a project or activity that maximizes the potential for efficient water use, reuse, recapture, and conservation, and energy conservation, taking into account –

- (i) the cost of constructing the project or activity;*
- (ii) the cost of operating and maintaining the project or activity over the life of the project or activity; and*
- (iii) the cost of replacing the project or activity;*

We certify that the above referenced project meets the requirements set for in Sections 602(b)(13)(A) and (B) of the FWPCA. We also certify that the documentation justifying this certification will be made available upon request.

We understand that falsifying information on this certification may be grounds for termination of the SRF loan agreement.
