Bidder may be required to supply information in writing at the request and discretion of the County prior to award of bids, in order to verify above requirements.

Discrepancies, omissions, or questions about the intent of the documents should be submitted to the Purchasing Division in written form as a request for interpretation no later than five (5) calendar days prior to bid opening (or shall be verbally addressed at the pre-bid conference, if applicable).

Interpretations of any of the bid documents or the project will be in the form of a written addendum to the documents which will be posted on the purchasing website. Receipt by each bidder of any addenda must be acknowledged on the bid form, indicating the addendum number and date of issue, therein becoming a part of the contract. No oral explanations shall be binding. The County will attempt to notify all prospective bidders of addenda issued to the bidding documents; however, it shall be the responsibility of the bidder, prior to submitting their bid, to determine if addenda were issued, acknowledging and incorporating it into their bid.

Examination of Site: Prior to submitting a bid form, each bidder shall examine the site and all conditions thereon. All bid forms shall be presumed to include all such existing conditions as may affect any work to be done on this project. Failure to familiarize himself with such conditions will in no way relieve the successful bidder from the necessity of furnishing any materials or performing any work that may be required to complete the work in accordance with the drawings and Specifications.

IB-04 PREPARATION AND SUBMISSION OF BID FORM REQUIREMENTS: Bids shall be submitted on the bid form supplied by the County, or duplication thereof and attached thereto, or as specified. Bidders shall acknowledge receipt of any addenda received during the bid period. Any expense incurred in making bids is to be borne by the Bidder.

Bid Forms by a corporation must be signed in the name of the corporation, followed by the original signature and designation of the officer or other person authorized to bind the corporation. Bid Forms by partnerships shall show the names of all partners. The partnership title shall follow the original signature of each partner.

Any erasures or other corrections in the bid form must be explained or noted over the signature of the bidder. Bid Forms containing any conditions, omissions, unexplained erasures, alterations, or irregularities of any kind may be rejected by the County.

Bid documents shall be submitted sealed. The package containing the bid must be clearly marked with the bid number and the name and business address of the bidder. Bids not received by the established bid opening shall **not** be considered and will be returned.

Any sole response received may be rejected by the County depending on available competition and timely needs of the County.

IB-08 FORM OF CONTRACT: The submitted Bid Form signed by the bidder, together with complete bid package furnished by the County, shall constitute a binding contract. The bidder shall be required to perform according to the bidder's submitted Bid Form and the County's bid package when a purchase order signed by the Senior Division Manager - Purchasing or his/her designee is transmitted to bidder. The transmitted purchase order shall serve as both a Notice of Acceptance and Notice to Proceed to the bidder.
