Describe the scope of the project including financial capacity, the plan for continued affordability for the term proposed and the plan for annual certification of average resident income, if applicable:

Charlotte County Habitat for Humanity partners with low-income families by providing an affordable home ownership opportunity. Our families, on average, are at 60% or below AMI. We build an average of twenty-five homes per year and homeowners qualify for a no-profit, zero-interest mortgage which keeps the home affordable for the life of the loan. Mortgages have a shared equity clause ensuring that funds for all homes remain in Charlotte County's affordable housing program. Habitat reinvests the collected principal payments back into our home ownership program, giving us sustainability and the financial capacity necessary to continue providing affordable housing opportunities to families in need.

Identify prior work including both successful and unsuccessful projects. How many units have you produced?:

Since 1987, Charlotte County Habitat for Humanity has served over 571 families through our home ownership program. Our homeowner success rate is 98%.

Describe any past or present litigation involving any partners in the project, including outcome(s), if applicable:

None.

Outline project readiness (site control; zoning; construction timeline):

We completed and closed twenty-four homes our last fiscal year and we currently have twenty-eight projects that are in some phase of construction: engineer design, septic design, excavation, slab poured, and vertical construction. Our construction staff and volunteers work five days a week on three to five different homes.

We partner with Step Up Suncoast for

Identify any leveraged investments and/or collaborative ventures: HUD-certified homeowner education

Through a grant from Charlotte County Community Foundation, we partner with Charlotte County Homeless Coalition for our homeowner education classes, specifically financial literacy through the Bridges Out of Poverty Class. This allows us to have a full-time Family Support Coordinator on staff to assist future homeowners as they work through the program. We partner with many other individuals and groups in the community through the construction of our affordable homes.

Services and programs offered to residents, if applicable (case management; educational programs; etc.):
