Candidate Statement

Grove City Street and Drainage MSBU advisory board.

I would like to offer my time to serve on the above referenced board. I have been a full-time resident of Grove City for two years. I retired in 2023 after working 37 years in the engineering inspection business 33 of which I was a supervisor. For the last 33 years I was with Remington & Vernick Engineers mostly in the state of New Jersey. Additionally, I worked for three years in the environmental department performing wetland delineation and soil surveys.

I am a graduate of Penn State University with a degree in Agronomy (soil and crop science). After graduation I served an apprenticeship as a union Iron worker and spent ten years in Local 399, Camden NJ.

I served as the director of the Woodland Township Recreation association for 13 years. I was appointed to the Planning Board and eventually rose to the position as chairman. Subsequently, I was elected to the Township Committee and appointed as Deputy Mayor.

I eventually moved to Middle Township, in Cape May County and served as Secretary of the Middle Township Regular Republican Committee.

I am very interested in serving on this board. I feel my background and experience will be useful to the board.
