

Southwest Florida's Engine for Growth since 1987

Seminole Gulf Railway LP (SGLR)

- Class III shortline railroad with 111 miles across two (2) lines directly serving Manatee, Sarasota, Desoto, Charlotte, Lee, and Collier Counties, with extended final mile logistics to all Florida.
- Hauls much of Southwest Florida's drywall, plywood/lumber, aggregates, LPG (propane), plastics, recyclables, and other commodities.
- Full service transloading centers in Sarasota, North Fort Myers, and other locations built to suit.
- Ready for the future needs of intermodal / inland port, waste transfer stations, autos, and more.
- Industrial development sites available along both rail lines, with large railroad owned properties in the Sarasota, Arcadia, and Fort Myers areas.
- Accepts 286 ton cars and is already building towards 315 ton car standards.
- Dedicated to safety, our Class III Shortline Railroad is an active member of the Florida Rail Safety Coalition and the American Shortline and Regional Railroad Association.
- The only family owned and operated railroad remaining in Florida.
- Home of Florida's only Murder Mystery Dinner Train, our rolling restaurant.
- Commonly owned with Florida Freezer providing cold storage warehousing in North Fort Myers and Miami, and with FLGO Freight providing refrigerated, aggregate, and flatbed trucking.
