

Briefing Note

Harborview Road Widening Project

The purpose of this note is to brief you on the Resolutions of Necessity being presented at the October 14th meeting.

Resolution 2023-230 authorizes the acquisition of real property or easement interests by voluntary means for the Harborview Road Widening Project.

Resolution 2024-113 authorizes the acquisition of real property or easement interests by any legal means within the project area for the Harborview Road Widening Project.

This agenda item is a packet of Resolutions for parcels revised by Florida Department of Transportation.

These Resolutions grant authorization to acquire by any legal means within the project area for the Harborview Road Widening Project.

This Resolution is a required procedural step in the acquisition process.
