SUMMARY

I am a 2<sup>nd</sup> Generation Florida Native. Growing up in south Florida was a very different scene than today. I worked in construction and built swimming pools with my father. Later he ran for mayor of our town and then became the Broward County Commissioner for over 27

Years. I took over his pool company until I met and married a girl from Fairfield, CT. Soon thereafter we relocated to Connecticut and the rest is history. My current wife and I have lived for the last 8 years in the south of France. The onset of the pandemic made us rethink our living situation and returned to Florida. Currently we are building a new home in Port Charlotte on a sailboat lot we purchased several years ago. We witness the struggle every day.

Thank you for your time and consideration.
