

PROCLAMATION

WHEREAS, water is a basic and essential need of every living creature, and clean, safe, and sustainable water resources are vital to our economy, environment, citizens, and visitors; and

WHEREAS, Charlotte County, the State of Florida, and Water Management Districts are working together to increase awareness about the importance of water conservation; and

WHEREAS, Charlotte County and the State of Florida has designated April, typically a dry month when water demands are most acute, Florida's Water Conservation Month to educate citizens about how they can help save Florida's precious water resources and encourage water conservation every day; and

WHEREAS, Charlotte County encourages and supports water conservation, through various educational programs and special events; and

WHEREAS, all water users including residential, commercial, industrial, agricultural, institutional, hospitality, private citizens and others can make positive contributions to reduce water use and protect Florida's water resources.

NOW, THEREFORE, BE IT PROCLAIMED that the month of April 2023 shall be designated and observed in Charlotte County as

Water Conservation Month

and all citizens are encouraged to help protect our precious resource by practicing water saving measures and becoming more aware of the need to save water.
