Resolution releasing certain easements declared in Official Records Book 162 and Page 210

Currently, there are fourteen (14) declared easements for roadway purposes as recorded in Official Records Book 162 and Page 210.

This Board action is seeking approval of a Resolution to release two (2) of these easements to the adjacent property owners and authorize Real Estate Services to execute necessary documents.

Real Estate Services has worked with the County Attorney's Office, Public Works, and Building Construction Services to review the requested actions. Staff approves this proposed release of these two (2) easements.
