

Charlotte County Florida

PROCLAMATION

WHEREAS, the "Imagine a Day Without Water" campaign is an organized effort to educate the public about why water is an essential, invaluable resource, highlighting the critical importance of access to reliable, clean water and the need for water infrastructure investments necessary to maintain and rebuild these vital systems; and

WHEREAS, the infrastructure that brings water to and from homes and businesses is essential to the quality of life, environmental and economic vitality of Charlotte County; and

WHEREAS, water infrastructure is critical in protecting public health during the coronavirus pandemic; and

WHEREAS, different regions face different water challenges, so the solutions to strengthen our drinking water and wastewater systems must be locally driven, but reinvestment in our water must be a national priority.
