1. How much funding will the Department/County receive from the grant?

Amendment 1 will provide \$4,913,221.00 in additional funding from FDEP to Task 1 Construction, for a new grand total of \$12,715,395.00 in construction tasks funded by FDEP.

2. Is there a County match required? If yes, identify type and source.

Match is required and will be supplied by the West Coast Inland Navigation District (WCIND), Tourist Development Council, Boater Improvement Fund, Stump Pass/Beach Renourishment MSBU, Don Pedro Knight Island MSTU, Stump Pass MSTU, and The Federal Emergency Management Agency (FEMA).

3. How many years have we been receiving this grant?

We have been receiving this grant since 2003, approximately 17 years.

4. What will the grant be used for?

Grant in place and being used for the Charlotte County Erosion Control project design, construction, and monitoring of 2.3 miles of shoreline between DEP monuments R28-R40.5, Restoration of 3.9 miles of shoreline between R1-R21.2 in Charlotte County, and restoration of 2.0 miles of shoreline between R172.9-R183.7 in Sarasota County.

5. Is it for additional or new services/equipment/facilities?

No

6. Does it pay for something that the County already does?

Yes

7. Does it pay for any positions? If yes, what happens to the position(s) if the grant goes away?

No

8. Is the County obligated to pay for anything after the grant goes away?

The recommended strategy to address the critically eroding beaches of Manasota Key is to implement a beach management program consisting of initial restoration and periodic beach renourishment. See March 2016 Manasota Key North Beach Erosion Study update for more info.
