Title

Ordinance to Reduce the Speed Limit on a Portion of Carmalita Street from 45 Miles Per Hour to 35 Miles Per Hour from 650 Feet East of Education Avenue to Florida Street

Public Works

Conduct a public hearing to consider approving an ordinance to reduce the speed limit on a portion of Carmalita Street from 45 miles per hour to 35 miles per hour from 650 feet East of Education Avenue to Florida Street.

Budgeted Action:

No action needed. No financial impact.

Background:

Public Works was approached by residents of Waterford Estates stating they feel unsafe pulling out onto Carmalita Street with the vehicles traveling at 45 miles per hour. Also, the number of pedestrians utilizing the parks at the eastern end of Carmalita Street will benefit from the lower speed limit while trying to cross Carmalita Street to visit the parks across from one another.
