DEPARTMENT MAKING REQUEST

Budget & Admin Services

Title

20-552, Approve Ranking, Building Automation Consultant (Facilities)

REQUESTED MOTION/ACTION

Recommended Action:

- a) Approve ranking for Request for Proposal 20-552, Building Automation Consultant: 1st Matern Engineering of Fort Myers, Florida; 2nd Moses Engineering of Gainesville, Florida; and
- b) Approve start of negotiations; and
- c) Authorize the Chairman to sign the contract after completion of negotiations.

Budgeted Action:

No action needed. Budget for this item comes from savings in various account lines budgeted in the General Fund - Facilities budget as approved in the FY2021 budget process. Funding for this expenditure comes from ad valorem.

BACKGROUND (Why is this Action Necessary, and What Action will be accomplished)

Background:

This is for Consultant services of the County's automation system and development of a standard Building Automation System that can be integrated into future facility construction. Two (2) proposals were received and reviewed by Professional Services Committee members consisting of: John Berlen, Network Engineer, Information Technology; Pedro Agosto, Project Manager, Facilities; and Ben Bailey, Interim Director, Community Development. A copy of the two proposals are attached along with a breakdown of the ranking.
